Disclosure Statement

Dividends: The dividend rate is set as of the date the certificate is purchased and funded. The IRA/ESA Certificate has a minimum balance requirement and will earn dividends for each monthly dividend period at the dividend rate and Annual Percentage Yield (APY) specified. Dividends are a division and distribution of earnings among members, after all expenses have been paid and the required amount has been set aside for reserves. Payment of all dividends is dependent on the availability of earnings at the end of the period. Dividends are earned from day-of-deposit to day-of-withdrawal at the specified rate. Dividends are computed using the daily balance method by applying the daily periodic rate for the full amount in your account at the end of each day. Dividends are credited on the last calendar day of each month in which they are earned unless another dividend distribution option has been chosen. The APY assumes dividends remain in the account until maturity. Early withdrawals reduce earnings. Rates for three-year Variable Rate Certificates may change on the Certificate's anniversary dates (at 12 and 24 months) and are based on the one-year Constant Maturity Treasury (CMT). Navy Federal guarantees that the Certificate's dividend rate will never decrease more than one-half percentage point (0.50%) below the dividend rate at the time the Certificate was purchased or renewed, and there is no upper limitation on dividend rate changes.

Penalties for Early Withdrawal: (a) If the Certificate/IRA term is one year (or less), the amount forfeited is equal to the lesser of: (1) all dividends for 90 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (b) If the Certificate/IRA term is greater than one year, the amount forfeited is equal to the lesser of: (1) all dividends for 180 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (c) If the Certificate/IRA term is five years or greater, the amount forfeited is equal to the lesser of: (1) all dividends for 365 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (d) In the case of an early withdrawal that brings the remaining Certificate balance lower than the minimum balance requirement, the Certificate will be 1) closed to an existing certificate/IRA certificate; 2) closed and funds transferred to your IRA savings or MMSA IRA account, if one exists; otherwise a new IRA savings will be opened for the funds; or 3) adding funds (per member's request) to bring the account balance back to the required minimum. Penalties may apply. (e) In accordance with Federal Reserve Regulation D, withdrawals made within the first six days of a new Certificate purchase (not renewed) are subject to a seven-day, early-withdrawal dividend penalty.

Penalty Exceptions: Penalties will not be applied to any of the following: (a) withdrawals of dividend payments only, (b) withdrawals subsequent to the death of any owner of the IRA or ESA Certificate, (c) withdrawals made as a result of the voluntary or involuntary liquidation of the Credit Union, or (d) withdrawals of Required Minimum Distributions (RMDs) (Traditional and SEP IRAs only).

Open New IRA Account: If your IRA/ESA is reduced below the minimum, the remaining funds will be transferred to an open and active IRA/ESA Savings account. If no active account exists, NFCU will open a new IRA/ESA Savings account for the funds to be transferred to. You hereby consent to the opening of such an account if necessary.

Maturing Certificates: At least 20 days prior to each IRA/ESA Certificate's maturity, Navy Federal will provide a notice specifying the terms under which the Credit Union proposes to renew the IRA/ESA Certificate or otherwise make the funds available to the owner. Each IRA/ESA Certificate will be automatically renewed as specified in the maturity notice unless the owner notifies Navy Federal to the contrary on or before the maturity date.

Grace Period: You have 21 calendar days from the maturity date to change the conditions under which the IRA/ESA Certificate will be renewed. During this period, the balance in the IRA/ESA Certificates will earn dividends at the prevailing offering rate. If no changes are made within this period, your IRA/ESA Certificate will renew for the term specified and will continue earning at the prevailing rate.

Insurance: Separate from your share accounts, IRA Savings Accounts and IRA Money Market Savings Accounts (MMSAs) combined with IRA Certificates are insured up to \$250,000 by the National Credit Union Administration (NCUA), a U.S. government agency. ESA Savings Accounts and ESA MMSAs combined with ESA Certificates are insured separately up to \$250,000 by NCUA.

Governing Laws: Your Navy Federal accounts are maintained and governed in accordance with federal law and the laws of the Commonwealth of Virginia, as amended. Property may be transferred to the appropriate state if there has been no activity within the time period specified by state law.

Transferability: Navy Federal IRA/ESA Certificates are not transferable, are not negotiable, and may not be pledged as collateral on a loan.

Final Payment: All non-cash purchases will be credited subject to final payment.

Change in Terms: Navy Federal reserves the right to discontinue or change the terms of IRA/ESA Certificate offerings within 30 days prior notice; however, once issued, the terms of an IRA/ESA Certificate may not be changed without the owner's consent.

Note: This account is subject to all terms and provisions defined in NFCU 602 (for Traditional), 602A (for Roth), 602B (for ESA), or 602C (for SEP). Unless otherwise noted, beneficiary designation(s) currently on file will remain in effect.

Deposits: If your IRA/ESA Certificate accepts additional deposits and the IRA/ESA Certificate has not exceeded its maximum balance, additional deposits can be made by cash, check, or periodic transfer(s) from a Navy Federal savings account, checking account, or MMSA. Deposits may be held for up to five business days.

State Tax Withholding Information Sheet

This information is not intended to provide you with complete withholding rules and regulations for state tax withholding.
