

## Credit Union Combined Certificate Disclosures

**Dividends:** The dividend rate is set as of the date the certificate is purchased and funded. The Certificate/SaveFirst Account has a minimum balance requirement and will earn dividends for each monthly dividend period at the dividend rate and Annual Percentage Yield (APY) specified. Dividends are a division and distribution of earnings among members, after all expenses have been paid and the required amount has been set aside for reserves. Payment of all dividends is dependent on the availability of earnings at the end of the period. Dividends are earned from day-of-deposit to day-of-withdrawal at the specified rate. Dividends are computed using the daily balance method by applying the daily periodic rate for the full amount in your account at the end of each day. Dividends are credited to the Certificate/SaveFirst Account on the last calendar day of each month in which they are earned unless another dividend distribution option has been chosen. The APY assumes dividends remain in the account until maturity. Early withdrawals reduce earnings. Rates for three-year Variable Rate Certificates may change on the Certificate's anniversary dates (*at 12 and 24 months*) and are based on the one-year Constant Maturity Treasury (CMT). Navy Federal guarantees that the Certificate's dividend rate will never decrease more than one-half percentage point (0.50%) below the dividend rate at the time the Certificate was purchased or renewed, and there is no upper limitation on dividend rate changes.

**Penalties for Early Withdrawal:** (a) If the Certificate/IRA term is one year (*or less*) for certificates and all SaveFirst Accounts, the amount forfeited is equal to the lesser of: (1) all dividends for 90 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (b) If the Certificate/IRA term is greater than one year, the amount forfeited is equal to the lesser of: (1) all dividends for 180 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (c) If the Certificate/IRA term<sup>®</sup> is five years or greater, the amount forfeited is equal to the lesser of: (1) all dividends for 365 days on the amount withdrawn, or (2) all dividends on the amount withdrawn since the date of issuance or renewal. (d) In the case of an early withdrawal that brings the remaining Certificate balance lower than the minimum balance requirement, the Certificate will be (1) closed to an existing Certificate/IRA Certificate; (2) closed and funds transferred to your IRA savings or MMSA IRA account, if one exists; otherwise, a new IRA savings will be opened for the funds; or (3) adding funds (*per member's request*) to bring the account balance back to the required minimum. Penalties may apply. You consent to the opening of such an account if necessary. (e) In accordance with Federal Reserve Regulation D, withdrawals made within the first six days of a new Certificate/SaveFirst purchase (*not renewed*) are subject to a seven-day, early-withdrawal dividend penalty.

**Penalty Exceptions:** Penalties will not be applied to any of the following: (a) withdrawals of dividend payments only, (b) withdrawals subsequent to the death of any owner of the Certificate/SaveFirst Account, (c) withdrawals made as a result of the voluntary or involuntary liquidation of the Credit Union, or (d) withdrawals of Required Minimum Distributions (RMDs) (*Traditional and SEP IRAs only*).

**Special EasyStart<sup>SM</sup> Certificates:** Limit one Special EasyStart Certificate per product type per member. Product types include Share, IRA (either Traditional, Roth, or SEP), and ESA. The Special EasyStart Certificate has a \$50 minimum balance and a \$3,000 maximum contribution limit. Additional deposits are allowed at any time subject to the maximum contribution limit. Certificate owner(s) age 18 and older must have direct deposit\* and a Navy Federal checking account within 90 days of the certificate issue date. If these requirements have not been satisfied by the 90th day, your Special EasyStart Certificate dividend rate will be adjusted to the prevailing dividend rate of the 12-month EasyStart Certificate for the remainder of the certificate's term. At maturity, the Special EasyStart Certificate will automatically renew and any amount exceeding the \$3,000 maximum contribution limit will be transferred to your Membership Savings Account unless instructed otherwise.

**\*You may qualify for direct deposit if you have (1) a recurring ACH from employer, military pay, or certain government agency pay or benefits in your name that is deposited into a Navy Federal deposit account where you are Primary or Secondary Owner; OR (2) Mobile deposits, ATM deposits, Branch deposits, payments from the FedNow<sup>®</sup> Payment network, the Real Time Payment network or third party services that facilitate payments to your debit card using the Navy Federal Credit Union Debit Card, totaling at least \$500 and recurring for at least three out of four consecutive months that are deposited into Navy Federal deposit accounts where you are Primary Owner; OR (3) monthly Non-payroll ACH or payroll allotment totaling at least \$500 and recurring for at least three out of four consecutive months that are deposited into Navy Federal deposit accounts where you are Primary Owner; OR (4) monthly Non-payroll ACH or payroll allotment totaling at least \$500 and recurring for at least three out of four consecutive months that are deposited into Navy Federal deposit accounts where you are Secondary Owner.**

"New" SaveFirst Certificates will no longer be offered or available for purchase beginning March 24, 2025.**

**Grace Period:** You have 21 calendar days from the maturity date to change the conditions under which the Certificate will be renewed. During this period, the balance in the Certificate will earn dividends at the prevailing offering rate. If no changes are made within this period, your Certificate will be renewed as specified in the renewal notice. SaveFirst Accounts not closed at maturity will renew for a 12-month term. Both will continue earning at the prevailing rate.
