

Authorization for Direct Deposit of Mortgage or Equity Refunds

Navy Federal Credit Union offers you the convenience of automatically depositing any refunds regarding your mortgage or equity loan (if applicable) into one of your accounts at Navy Federal. Throughout the term of your mortgage or equity loan, there may be refunds due to you for various reasons, such as:

- When your annual escrow analysis is performed, it may be determined that your escrow account balance exceeds what is required. (If you are owed a refund and opt in for Direct Deposit, the refund will be deposited into the Navy Federal account you designate below; however, the escrow analysis will still be mailed to you.)
- When you pay your loan in full, any overpayment of the amount required to pay off the loan, plus the remaining balance in your escrow account (if applicable), will be refunded directly to the Navy Federal account you designate below.

If you would like to sign up for Direct Deposit, please complete the form below (including all Borrower/Co-Borrower information and signatures) and fax it to 703-206-3108, or mail it to: Navy Federal Credit Union, PO Box 3302, Merrifield, VA 22119-3302. If you choose not to have refunds directly deposited into your Navy Federal account, a check will be mailed to you at the time you are owed a refund.
