- **How We Will Calculate Your Balance:** We use a method called "daily balance (including new transactions)."

**<sup>1</sup>Variable Rate Information:** Your Standard APR is your APR for Purchases, Balance Transfers, and Convenience Checks, and it will vary based on the U.S. Prime Rate. This means it could increase if the U.S. Prime Rate increases or decrease if the U.S. Prime Rate decreases. An increase or decrease in your Standard APR will affect the total amount of interest you pay and your Minimum Payment Due amount. We determine your Standard APR on the first business day of each month by adding a percentage amount, which we call the Margin, to the U.S. Prime Rate published in the *Wall Street Journal* on the first publication day of the previous month. The Margin is based on your creditworthiness. The Margin will be 16.74%.

**<sup>2</sup>Late Payment Fee:** You will be required to pay a late payment fee of up to \$20.00 if you do not pay at least the minimum payment by the payment due date on your statement. Navy Federal may also assess the late payment fee every month thereafter that you are past due.

**Security Interest Specific for Credit Cards: If you are approved for a credit card, you acknowledge and pledge, specifically as a condition of your use of the credit card, that you have voluntarily granted Navy Federal a security interest in all of your individual and joint share accounts at Navy Federal. If your credit card loan becomes delinquent, this security interest may be used without further notice to pay all or part of such delinquency. This security interest does not apply to shares in an Individual Retirement Account (IRA).**

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Wisconsin Residents: Wisconsin law provides that any agreement, unilateral statement, or court decree relating to marital property may not adversely affect a creditor's interest, unless prior to the time credit is granted, the creditor is furnished a copy of the agreement, statement, or decree, or has actual knowledge of the adverse provision.

## Credit Card Q&A for cashRewards Secured

### BALANCE TRANSFER

**How will a balance transfer affect interest charged on purchases?** If you transfer a balance, interest will be charged on purchases made with your credit card unless your purchases have a 0% APR or you pay the entire balance (including any transferred balances) in full each month by the payment due date.

**When will interest start to accrue on the balance transferred?** Interest will start to accrue on the later of the transaction date or first day of the billing cycle in which your balance transfer transaction posts to your account. If your balance transfer is subject to a promotional APR of 0%, interest will not start to accrue until your promotional rate expires or if a penalty rate applies.

**Will I receive rewards on the balances I transfer?** No. Balance transfers are not eligible to earn rewards.

**Do I need to make payments during the promotional period?** Yes. You must pay at least the minimum payment due by the payment due date. If you do not pay this amount by the payment due date, you may lose your promotional APR.

**Can Navy Federal refuse certain balance transfers?** Yes. Only balances from other card-issuer accounts are eligible for transfer. **New accounts:** Balance transfers must be requested at the time of application. **Existing accounts:** Balance transfers must be requested at the time of acceptance of the offer.

**How much can I transfer?** The maximum total transfer amount is limited to your available credit line, but no single balance transfer can be greater than \$30,000.

**Are there exclusions?** Yes. The offer excludes Navy Federal Business cards and Home Equity Line Platinum credit cards. It also excludes balance transfers using convenience checks.

**When will the balance transfer post to my account?** We may not make the balance transfer request for up to 10 days to allow you time to receive and review the disclosures that come with the new credit card. Please allow up to 14 additional days for your other financial institution to receive payment and process the payment. **Existing accounts:** A balance transfer is typically posted to your account within 14 days after your transfer request. **New and existing accounts:** While waiting for the balance transfer to pay off your other account(s), please continue to make payments to your other account(s) in order to avoid any late charges or delinquency.

**Is there anything else I should know?** Yes. You should be aware that if you transfer your balance from another account, you could lose your right to dispute any of the charges paid off as a result of transferring your balance.

### REWARD PROGRAM DETAILS

**How do I earn rewards?** cashRewards Secured credit cards earn 1% cash back for every \$1 of eligible net purchases. "Net purchases" means the sum of your eligible purchase transactions minus returns and refunds. Eligible purchase transactions do not include, and rewards are not earned for, the following transactions: cash advances, convenience checks, balance transfers, gambling, or fees of any kind, including finance charges, late fees, returned check fees, and ATM cash advance fees. Cash-equivalent transactions, such as the purchase, loading, or reloading of gift and prepaid cards (e.g., money orders, GO Prepaid Cards, and other cash-equivalent gift cards), may not be eligible purchase transactions and may not earn rewards. For more information, view the cashRewards Secured Program Description at [navyfederal.org](http://navyfederal.org).

**Are there any limits on the amount of rewards I can earn?** No.

**Will my rewards expire?** Your rewards do not expire, as long as your account remains open.

**Are there conditions for earning or redeeming rewards?** Rewards earned are updated on the date the eligible transaction posts to your account. Rewards may be used for reward redemptions once they have been credited to the account. To redeem rewards, the account must be open and in good standing (i.e., not delinquent, closed by either party, or otherwise unavailable to use for charges).

**What happens to my rewards if the account is closed?** Rewards may be forfeited if your account is closed. Please refer to the cashRewards Secured Program Description for additional information.

### ADDITIONAL CREDIT CARD TERMS AND CONDITIONS

**How are my payments applied?** In general, we will apply your minimum payment first to interest and then to fees before applying it to transaction balances. If your account has transaction balances with different APRs, we will apply the minimum payment first to the balance with the lowest APR before balances with higher APRs. Any payment amount received in excess of the minimum payment will be allocated to the balance with the highest APR and any remaining portion to the other balances in descending order based on the APR.

**Can I authorize another person to use my account?** Yes. You can add an authorized user to your account. Authorized users can use your account subject to the terms and conditions of the Credit Card Agreement and Disclosure. You are responsible for any use of your account, including paying for any charges made or allowed by an authorized user. A credit report will not be pulled for authorized users. However, we will report account performance in the authorized user's name to the credit bureaus.
